

THE BEST CORPORATE FUNCTION VENUES

# ADELAIDE

## Once upon a time in Radelaide...

The endearing nickname “Radelaide” tends to be used with a certain irony. Because while Adelaide is hardly radical, it holds a genteel allure as a city where everything is thoughtfully designed, from main thoroughfares to small hidden venues. Adelaide promotes itself as a place of opportunity, open space, culture, and inclusiveness; as a city “shaped by stories”.

Hosting a corporate function or event in Adelaide is a wonderful opportunity to celebrate these stories. Planning an event is a chance to bring unknown details to the forefront of your occasion.

Fly By Fun helps you tell that story. We have hosted thousands of events in Adelaide, giving us an in-depth knowledge of what Adelaide’s wonderful event spaces and function venues have to offer.

For example, Adelaide Zoo is a fantastic event venue for Family Fun Days or corporate networking functions as guests clamour to meet the zoo’s giant pandas.

Any event organiser can tell you they are the only giant pandas in the southern hemisphere, but only the extensive event experience of Fly By Fun can provide you this advice: If you plan to make Wang Wang and Fu Ni the showcase of your event, avoid Spring as the pandas can be unexpectedly unavailable due to their breeding program!

Another popular venue for corporate events is the Royal Botanic Garden because of the Palm House and its stately presence.

Our event expertise means we can recommend your guests enter from the North Terrace. This way, their event experience doesn’t begin at the function venue doors, but as they make their way through the absolutely spectacular avenue of Moreton Bay fig trees.

Our passion for weaving Adelaide’s stories and the tiniest of details into your events is why we have created this guide, [The Best Corporate Function Venues in Adelaide](#).

We wanted to compile our recommendations for the best corporate function venues – and then include all the little nice-to-knows and entertainment ideas to make your event the best it can be.

Whether you’re planning a corporate family fun day, EOFY function or Christmas party; these venues provide top-notch facilities and amazing versatility.

So let’s start with selecting the perfect venue for your function. Then let Fly By Fun help you tell a story that leads to a happily event after.

Have fun,
